Associação de Apoio à Vítima de
Agressões Sexualmente e Violência Doméstica

PROJECT ACTIVITIES

- Undertake desk and field research so as to establish the current situation and system in Cyprus as regards to Victim awareness and training;
- Implementation of training for trainers on issues: access to justice for victims, issues linked with victims of domestic violence, victims of sexual abuse, immigrants and trafficking victims;
- Organisation of workshops and case studies for professionals and practitioners coming into contact with victims of crime and violence in Cyprus.
- Formulation of a Screening Victim Identification Tool (SVIT) and Guidelines.

EXPECTED RESULTS/IMPACT

- Improvement of the quality of services provided by professionals when dealing with victims of violence and crime;
- Enhancement of education and knowledge of practitioners in the field;
- Ensure and safeguard better access to justice and information provided to all victims by the authorities;
- Strengthen inter- services cooperation between all relevant Ministries and exchange good practices that will help in shaping a more Victim support based system in Cyprus.
